

Charlemont Cemetery Committee Minutes

June 20, 20014

Present: Bonnie Lee Nugent (Chair) Bill Harker, Camille White

Meeting called to order at 9:00 am by Bonnie Lee Nugent

Bonnie Lee reported on the information she received from Dee Cinner, Chesterfield's Chair of MA Historic Preservation Commission and of its Cemetery Commission, about how to put our cemeteries on the National Register.

The selectmen had asked the committee to review a proposal for the mowing of the Villiage Cemetery and give a recommendation. The committee voted to recommend that it be included in with Hawks, Old, and Zoar and put out to bid.

Camille informed the committee about the Trust Funds, the Cemetery Restoration funds, and Gift Funds. There was discussion on how these should be listed in the Town report. There was a recommendation made to list trust funds in the Town report as previously done in 1970's and 1980's.

A recommendation was made that the selectmen should instruct the accountant and Treasurer to move the cemetery fund of \$3,775.03 and the Village cemetery fund of 3,243.24 out of the cemetery perpetual care fund (trust funds) into the Cemetery Restoration Gift fund. Those monies could then be applied to the restoration of all our cemeteries.
