

HELP SHAPE THE FUTURE OF YOUR SCHOOLS

The BERK12 consulting team needs your feedback for a study about the future of the Mohawk Trail and Hawlemont Regional School Districts. Families (parents, caregivers, students, grandparents, alumni, others) and community members are strongly encouraged to attend one of four upcoming COMMUNITY ENGAGEMENT SESSIONS. We will provide a short overview of the project plan and an opportunity for you to share insights and perspectives about the districts and schools.

You should come to one of the sessions if you:

- are concerned about declining enrollment in the Mohawk Trail and Hawlemont districts
- want to share your thoughts about the strengths and challenges of the schools
- have kids in the schools and want to help shape the quality of their education
- are a community member who cares about high quality, cost-effective education
- want to help form a vision for where the districts should be in 10 years

ZOOM OPTION IS AVAILABLE FOR ALL SESSIONS
